INDEX TO VOLUME LXXXIV.

January 1 to June 30, 1906.

A

*Acid Frosting and Inclosing Globes, The Effect of, upon the Life of Incandescent Electric Lamps..... 539
Address of President E. G. Pratt, Wisconsin Gas Association 362
Address of President Frank S. Richardson, New England Association of Gas Engineers..... 398
Address of President Paul Doty, Western Gas Association.. 970
Address of President William J. Clarke, National Commercial Gas Association..... 268
Advertising in the Gas Business, The Function of, by F. P. Kelsey 400
Alcohol Calorimeter for Coal Testing, by Prof. W. M. Wallace 802
*Alcohol Torch, The Ramsdell..... 670
Alternate Current Working, New Iron Cored Instruments for, by W. E. Sumpner..... 495
Alternating Currents, Electrolysis by..... 140
American Cement Industry, The..... 184
American Gas Light Association, Thirty-third Annual Meeting..... 2, 46
*Ammoniacal Liquor at Small Gas Works, Treating the Waste, by Frederic Egner..... 179
*Annual Meeting of the Mueller Manufacturing Company's Travellers, The..... 181
Appliance Business, Gas Company, by A. B. Burr..... 358
Appliances, Modern Industrial Heating, as a Means of Increasing the Consumption of Gas, by E. P. Reichhelm.. 361
Appliance, The Welsbach Gas Lighting..... 762
Architecture and Engineering, Fact and Idea in..... 56
Armature Losses 762
*Artificial Gas, Blast Lamp for Gasoline or..... 538
Artificial Gas Properties, General Data on, by W. E. Steinwedell..... 1058
Association, The Philadelphia Foundrymen's..... 760
Atmosphere of Rooms, Flueless Gas Stoves and their Effects on the, by "E. D. W."..... 180
Automatic Ignition Gas Burners..... 802

B

Barnes, H. L., Co-operation of the Gas Company and its Employees, The..... 314
*Barnum, D. D., Thermic Considerations of a Retort Furnace..... 575
Beardsley, A. P., Ph.D., Hygienic Effect of Lighting by Gas, The..... 578
Benches, The Dessau Vertical Retort..... 267
*Bender, Pipe, The "Perfect"..... 628
Berlin, Vertical Retorts at..... 452
Bissell, Prof. G. W., Electrical Properties, The Depreciation of..... 892
*Blast Lamp for Gasoline or Artificial Gas..... 538
Boiler House Economy, by A. W. Bennis..... 97
*Boys, C. V., Gas Calorimeter, A..... 52
*Brignetting of Fuels and Minerals, by G. J. Mashek..... 757
*"Bristol" Portable Recording Gauges, The..... 712
British Commission on Labor Troubles, Report of the..... 497
Buildings During Course of Erection, The Electric Wiring of Small..... 847
Burners, Gas, Automaric Ignition 802
Burr, A. B., Gas Company, Appliance Business..... 358
Business Methods, New—A Query—What are the Best to Employ? by J. D. Shattuck..... 272

C

California, Oil Conditions in..... 142
*Calorimeter, A Gas, by C. V. Boys..... 52
Cases of Strike, Unlawful Persuasion in..... 530
Cement Industry, The American..... 184
Central Stations, The Management of Small, by Henry Joseph 230
*Charlestown Gas and Electric Company as Remodelled in 1905 tnd 1906, Gas Works of the, by S. J. Fowler..... 444
Chemistry, Gas Works, A Brief Outline of, by Dr. H. B. Harrop..... 533
Clarke, William J., President of the National Commercial Gas Association, Address of..... 268
Coal and Coke Exports for the Year 1905..... 662
*Coal and Water Gas, Vertical Retorts for Producing..... 136
Coal Gas, An Original Method of Estimating Naphthaline in 11
Coal Situation, The Western..... 672
Coals of Illinois, The, by S. W. Parr..... 137
Coal Testing, Alcohol Calorimeter for, by Prof. W. M. Wallace 802
Code, National Electric, Changes and Additions to the..... 98
Cole, William H., Electrolytic Action and Gas Mains..... 134
Commission for New Jersey, A Municipal..... 894
Commission on Gas and Electricity, New York State, Mr. A. C. Humphreys Pays His Respects to..... 714
Commission on Labor Troubles, Report of the British..... 497
*Competition of Producer Gas with other Commercial Gases, The Prospective, by Henry I. Lea..... 750
Concrete Mixing, by J. H. Robinson..... 186
*Congdon, R. G., Service Pipes, Protection of..... 1065
Consumption of Gas, Modern Industrial Heating Appliances as a Means of Increasing the, by E. P. Richhelm..... 361
*Controller, Gas, The Horstmann—Automatic Daily Variation of Lighting and Extinguishing 494
Co-operation of the Gas Company and its Employees, The, by H. L. Barnes..... 314
Co-operative Education..... 225
Corncobs as a Substitute for Shavings in Oxide Purifying Material, by F. M. Richards 492
CORRESPONDENCE—
Knudson, Mr. A. A., Declares himself..... 849
Mr. Spang Replies to Mr. Knudson..... 1025
New Business, Some Thoughts on..... 233
Special English Correspondence.....188, 408, 540, 760, 936
*Coupling, A Smooth Bore Differential..... 225
Cumberland, Md., The Municipal Electric Plant..... 229
Currents, Alternating, Electrolysis by..... 140
Cutcheon, M. H., High Pressure Log, Extracts from a..... 400
*Cylindrical Settings, Vertical Retorts in..... 91

D

Depreciation of Electrical Properties, The, by Prof. G. W. Bissell..... 892
Dessau Vertical Retort Benches, The..... 267
Dibdin-Woltereck Gas Manufacturing Process, The..... 756
*Differential Coupling, A Smooth Bore..... 225
Diffusion of Light, The..... 320, 364
*Discharging and Charging of Gas Retorts at One Stroke, The—The Fiddes-Aldridge Machine at Liverpool, England..... 315
Dividend Earners, Technical Men as, by G. D. Shepardson. 803
Doty, Paul, President of the Western Gas Association, Address of..... 970
Douglas, E M., Reparing Engineers' Field Instruments.... 227
Dr. Pole's Formula..... 716

E

Economic Relations between Public Lighting Corporations and the Public, Some, by W. H. Gardiner, Jr..... 974
EDITORIALS—
Arguments and Facts..... 442
A Trifle Premature..... 133
Curley, Thomas, Death of..... 529
Denver Franchise, The..... 1013
Eighty-Cent Gas for New York 442
Fritz Medal, Award of the..... 177
"Gas Engines and Producer Gas Plants"..... 310
"Gas, Gasoline and Oil Engines," by Gardner D. Hiscox..... 178
Gas Rates for New York City, What are to be the?.... 398
Keller, Adam, Death of..... 266
"Lake Shore and Chicago Special, The"..... 750
Leetch, John, Obituary Note..... 45
Lower Rates and Municipal Ownership..... 969
New England Association of Gas Engineers, Thirty-sixth Annual Meecing..... 364
New England Section of the Illuminating Engineering Society, The First Step toward the Organization of the..... 574
New York Injunction Holds, The..... 1101
Ohio Gas Light Association, Twenty-second Annual Meeting..... 529
Poole, Herman, Death of..... 266
Research Committee's Report, Send in your Ordors for the..... 1
"Sliding Scale"..... 1057
Western Gas Association, Special Editorial Correspondence.....881, 925
Education, Co-operative..... 225
Education, Factory..... 134
Efficiency of Thermal Radiation, The Temperature and, by James W. Swinburne..... 935
Effluent of Sulphate Plants, Purification of the--A New Process..... 274
*Egner, Frederic, Waste Ammoniacal Liquor at Small Gas Works, Treating the..... 179
Electric Age at Niagara, The..... 98
Electrical Properties, The Depreciation of, by Prof. G. W. Bissell..... 892
*Electrically Thawing Water Pipes, A New Outfit for..... 141
Electrical Machinery, Our Foreign Trade in, by Henry L. Geissel..... 144
Electrical Work, Progress in..... 46
Electric Code, National, Changes and Additions to the..... 98
*Electric Fusion of a Gas Main..... 629
*Electric Instruments, The New Westinghouse Recording.. 629
Electricity and Gas, Mr. A. C. Humphreys Pays his Respects to New York State Commission on..... 714
Electricity, New Uses for..... 232
*Electric Lamps, Incandescent, The Effect of Acid Frosting and Inclosing Globes upon the Life of..... 539
Electric Meter Rates, The True Meaning of..... 542
Electric Plant, Cumberland, Md., The Municipal..... 229
Electric Power Development, The Feather River..... 496
Electric Pumping Plant in the Hawaiian Islands, An..... 187
Electric Wiring in Indiana..... 185
Electric Wiring of Small Buildings During Course of Erection, The..... 847
*Electrolysis: General Electric and Lightning Protection, by W. H. Spang..... 801
Electroysis by Alternating Currents..... 140
Electrolytic Action and Gas Mains, by William H. Cole.... 134
Elliott, Dr. Arthur H., Gas Range in the Kitchen, The..... 359
Employees, Gas Distribution, Instructions to, by J. M. Robb 1016, 1060
Emyloyees, The Co-operation of the Gas Company and its, by H. L. Barnes..... 314
Endurance Test of a Gas Producer, An..... 848
Engineering and Architecture, Fact and Idea in..... 56
Engineers' Field Instruments, Repairing, by E. M. Douglas 227
Engineers, Mechanical, The Coming Meeting of the..... 706
*Engine, Gas, The Flywheel of the, by "Mechanic"..... 670
*Engines, Gas, "Chats" on the Push Rod and Other Parts of, by "Observer"..... 90
Engine Piston, Gas, Molding a..... 365
*Exploders, "Chats" on Igniters and, by "Observer"..... 135
Exports for the Year 1905, Coal and Coke..... 662

F

Factory Education..... 134
Feather River Electric Power Delevopment, The..... 496
*Fiddes-Aldridge Machine at Liverpool, England, The—The Discharging and Charging of Gas Retorts at One Stroke 315
Field Instruments, Engineers', Repairing, by E. M. Douglas 227
Fire and Fire Risks..... 671
Firebrick and Refractories..... 277
Fires, Gas, Some Notes on, from a Consumer's Standpoint, by F. H. Leeds, F.I.C..... 583
Flueless Gas Stoves and their Effects on the Atmosphere of Rooms, by "E. D. W."..... 180
*Flywheel of the Gas Engine, The, by "Mechanic"..... 670
Formula, Dr. Pole's 716
Foundry Industry, Tendencies in the, by Dr. B. Moldenke. 138
Foundrymen's Association, The Philadelphia..... 760
*Fowler, S. J., Gas Works of the Charlestown Gas and Electric Company as Remodelled in 1905 and 1906..... 444
*French Gas Washer, A..... 407
*Frost in Show Windows, Preventing..... 93
Frost, The Heaving of Piles by..... 806
*Fuels and Minerals, Briquetting of, by G. J. Mashek..... 757
Fuses, Notes on the Standardization of, by Alfred Schwartz 12
*Fusion of a Gas Main, Electric..... 629

G

Gardiner, W. H., Jr., Public Lighting Corporations and the Public, Some Economic Relations between..... 974
Gas and Electricity, Mr. A. C. Humphreys Pays his Respects to New York State Commission on..... 714
Gas Burners, Automatic Ingnition..... 80
Gas Business, The Function of Advertising in the, by F. P. Kelsey..... 400
*Gas Calorimeter, A, by C. V. Boys..... 52
Gas Company and its Employees, The Co-operation of the, by H. L. Barnes..... 314
Gas Company Appliance Business, by A. B. Burr..... 358
Gas Distribution Employees, Instructions to, by J. M. Robb.....1016, 1060
*Gas Controller, The Horstmann-Automatic Daily Variation of Lighting and Extinguishing..... 494
*Gas Engine, Chats on the, for Gas Men, by "Traveller".. 981
Gas Engine Piston, Molding a..... 365
*Gas Engines, "Chats" on the Push Rod and Other Parts of, by "Observer"..... 90
